MEDIA RELEASE

CELEBRATING NT VOLUNTEERS #ColourYourCommunityRed

To thank the 70,000 volunteers in the Northern Territory, everyone is invited to join in the celebrations during National Volunteer Week (NVW) from 16-22 May 2022.

The theme for NVW, Australia's largest annual celebration of volunteering is **Better Together**. Volunteering brings people together; it builds communities and creates a better society for everyone. The week is a chance for all of us to celebrate and recognise the vital work of volunteers and to say thank you.

In its third year, the **Colour Your Community Red** social media campaign thanks and celebrates all the amazing work that volunteers do in the community.

Whether you volunteer yourself, or know people who generously give their time as volunteers, we all want to join in together in shouting our thanks and appreciation from the rooftops.

Wear red during the week, tie something red out the front of your home, office or school and post pictures and videos to socials. Don't forget to use the hashtags #ColourYourCommunityRed #NVW2022 #VolunteeringNT and follow and tag Volunteering NT.

Together, through volunteering, we are changing communities for the better. We are, **Better Together**.
